Satellite Dishes, Antennas, Etc. Requirements

Pursuant to the section entitled *Limited Common Areas* in the Rules and Regulations adopted November 9, 2017, in general, exterior changes (including limited common areas such as front door areas, patios, balconies, etc.) are not permitted; however, proposed exterior changes due to a necessary matter may be submitted to the Architectural Control Committee (the "ACC") in writing. The purpose of this restriction is to maintain the architectural integrity of the community. Exterior changes made without ACC approval will be violations and will be noted by the Management Company. The ACC will request, in writing, that the unit owner remedy such violation. If the violation is not remedied within ten (10) days, the Management Company will implement the Non-Compliant Process as outlined in the Non-Compliant Policy Section of the Mill River Community Rules and Regulations.

All improvement, or exterior changes shall be constructed in accordance with the Covenants, Conditions and Restrictions (CC&R's), the Rules and Regulations, the standards approved by the Board of Directors, and in Compliance with the ordinances of the *City of Coeur d'Alene. Although these guidelines have been created to coincide with the CC&R's and the Rules and Regulations, they do not cover every restriction in the CC&R's and Rules and Regulations and are not considered the sole statement of regulations.

According to the Condos at Mill River Rules and Regulations, owners must abide by the following:

- Noise audible in adjoining units will not be allowed as a result of the work except between the hours of 7 AM and 6 PM, Monday through Friday.
- Contractors and/or subcontractors are not permitted to park in any areas of the Community, except in designated parking spaces. Parking along the curbs, behind unit(s) garage doors, in loading zones, or in roadways is prohibited.
- **Owner must submit an ACC Application and receive approval prior to installation**

Satellite Dishes, Antennas, Etc. Requirements:

- Antennas, satellite receiving stations, or any other devices that allow for receiving or sending television, radio or any other form of electromagnetic radiation shall not be placed, used or maintained on the patio railings, balcony railings or any exterior walls; and may not be affixed to the roof, siding or the ceiling or overhangs of the balconies or patios.
- Devices are to be mounted on tripods only within the confines of a balcony or patio and must not protrude over the balcony or patio railing.
- All satellite dishes must be painted using the color choices noted on the application.
- Installation cannot allow for holes to be drilled through the siding or window trim to the interior of the unit.

*Applicant will be responsible for meeting all city of Coeur d'Alene codes and requirements

I, _____, have read and understand the above Guidelines.
