## Architectural Control Committee

### Satellite Dish

Pursuant to the section entitled *Design Rules* in the Rules and Regulations recorded in Kootenai County, Idaho on January 30, 2013, in general, exterior changes (including limited common areas such as front door areas, patios, balconies, etc.) are not permitted; however, proposed exterior changes due to a necessary matter may be submitted to the Architectural Control Committee (the "ACC") in writing. The purpose of this restriction is to maintain the architectural integrity of the community. Exterior changes made without ACC approval will be violations and will be noted by the Management Company. The ACC will request, in writing, that the unit owner remedy such violation. If the violation is not remedied within ten (10) days, the Management Company will be notified to remedy the violation and the unit owner will be billed for the remedial costs and subject to fines established per the Fine Policy.

All improvement, or exterior changes shall be constructed in accordance with the Covenants, Conditions and Restrictions (CC&R's), the Rules and Regulations, the standards approved by the Board of Directors, and in Compliance with the ordinances of the \*City of Coeur d'Alene. Although these guidelines have been created to coincide with the CC&R's and the Rules and Regulations, they do not cover every restriction in the CC&R's and Rules and Regulations and are not considered the sole statement of regulations.

The Board may, at its sole and absolute discretion, determine whether or not an item is of a structural or non-structural nature. Request for approval for structural changes must be submitted to the Board in writing including details of the work to be done, names and addresses of contractors and subcontractors to perform the work, including a copy of their insurance certificate, and dates when the work is scheduled.

According to the Condos at Mill River Rules and Regulations, owners must abide by the following:

- Noise audible in adjoining units will not be allowed as a result of the work except between the hours of 7 a.m. and 6 p.m.
- Contractors and/or subcontractors are not permitted to park in any areas of the Community, except in designated parking spaces. Parking along the curbs, behind unit(s) garage doors, in loading zones, or in roadways is strictly prohibited.
- Reflective material, aluminum foil, reflective screens or glass, mirrors or similar items are not permitted on patios, balconies or in front door areas.
- Antennas, satellite receiving stations, or any other devices that allow for receiving or sending television, radio or any other form of electromagnetic radiation shall not be placed, used or maintained on the patio railings, balcony railings or any exterior walls; and may not be affixed to the roof, siding or the ceiling or overhangs of the balconies or patios. With the ACC approval, devices may be mounted on tripods only within the confines of a balcony or patio so long as it is not a nuisance or annoyance to surrounding unit owners. All satellite dishes must be painted using the color choices noted on the application. **Installation cannot allow for holes to be drilled into the siding.** Owner must submit an ACC Application and receive approval prior to installation.

\*Applicant will be responsible for meeting all city of Coeur d'Alene codes and requirements

I, \_\_\_\_\_, have read and understand the above Guidelines
